# Deep South Favourites

## Ma's Gumbo

Made using the 'holy trinity', Chicken and Chorizo. A Louisiana staple and a favourite of ours. Served with your choice of rice or yellow 'tatas. Add some seafood for another depth of flavour

## Hearty Jambalaya

Another Deep south Favourite. A Steaming pile of Golden Sella rice, cooked in a Dutchy or big pan, with the holy trinity and your choice of meat, seafood or veg. Veggie and Vegan options available.

## Pork and Beans

Chunky cuts of Pork, slow cooked in a homemade smoked tomato and charred red pepper sauce with a mix of beans. Delicious with a spoon and a good chunk of bread.

## Hashed Up

With either shredded beef or Pork, our hash is prepared using a brilliant Texan recipe, with potatoes and topped with a fried/ poached egg.

## Chowder Bread Bowl

A warm bread bowl hollowed out and filled with a hearty Chowder. Choose from New England Clam, Ham and Cheddar, Corn and Potato or Prawn and Pea. Eat the bread bowl as you go. Yum!

## Brunswick Stew

So colourful and full of flavour. Most southern states have a version of this big pot of stew. The rule- it is always tomato based with meat and beans. Chicken is our favourite, but pork is an option too. Vegan is also available.
